

I.L.P.A. SRL

I.L.P.A. SRL authorized distributor of DUPONT - SONTARA® PRINTMASTER WASHING ROLLS.

I.L.P.A. SRL is able and very capable to supply a wide range of highly qualified and specific products for various industries from industrial to hygiene maintenance.

Our Stroftex® wipes are specifically designed for the printing industry as they are highly resistant to all solvents and highly absorbent, they do not dissolve or leave residue.

I.L.P.A. recommends the high quality blanket washcloth, Dupont Sontara® Printmaster. This superior product can improve your print run whilst reducing waste and downtime. Absorbent, low lint, yet incredibly strong when wet, Sontara® Printmaster removes ink and solvents from the blanket efficiently and will not distort or tear under tension. Available in pre-wound mini rolls which fit onto the press straight from the box, or as a 500 metre roll.
