

MYLLYKOSKI

MYLLYKOSKI OFFERS THE MOST VARIED RANGE OF WOOD-CONTAINING AND RECYCLED-FIBRE-BASED PAPER FOR SMALL, MEDIUM AND HIGH PRINT VOLUMES.

MYLLYKOSKI is a family owned international paper group with paper mills in Finland, Germany, Switzerland and the United States and its own sales network around the world. The Finnish roots of the parent company go back to 1892. The Group's products consist of wood-containing uncoated and coated publication paper, including newsprint. Customers include publishers, printers, and retailers worldwide. MYLLYKOSKI is among the largest publication paper producers in the world. MYLLYKOSKI operates nine paper mills with a total annual capacity of 3 million tons, including the alliance partner Rhein Papier GmbH of which the new mill Plattling Papier is a part. The Group companies employ 3,000 people.

MYLLYKOSKI is known as a pioneer in using new technologies as well as recycled fibres for paper production. All European mills are certified with the environmental management System ISO 14000. MYLLYKOSKI's vision is to be the premier publication paper brand recognized for creativity and positive business solutions.
